*Category Locations for each Round will be detailed in the Supplementary Regulations Part 2:*  
  
No Transporters or Teams are permitted to enter the Venues at each Round until the above times. The Paddock Area is for Race Cars Only. There will be a Paddock Manager in each location who will advise you of your Pit Location and Transporter/Trailer designated parking area. Please also refer to the Paddock Plan for each Round prior to arriving at the venues.  
  
At each Round Competitors will receive from their Category Coordinator/Administrator a “Parking” sticker to allow you entry to the restricted Competitor Car Park as detailed in the Paddock Plan. No sticker, no entry. All other parking at each Round will be in the main public car park at each Event.
- b. The following are requirements of the venues and Event Organisers:
  - At all Rounds no passenger vehicles or trucks are allowed in the Paddock area after 09:30hrs Saturday (of Event Week).
  - There will be times at each Round during the event when the Paddock Area is CLOSED for any vehicle access other than race cars. This will be done to eliminate traffic congestion when Race Cars are returning to their Pit Area; please respect the Marshals decision to close the paddock at this time.
- c. All access lanes in and around the pits must be kept clear at all times during the Event.
- d. When unloading your vehicle from your race transporter or trailer, please ensure this is done promptly to avoid congestion.

- e. Competitors must work on their race vehicles in their allocated Pit Paddock Area.
- f. Competitors at all Rounds **may commence pack down** from their allocated Support Paddock position on Sunday (of Race Week) after their final Race, at the discretion of the Paddock Manager and all due consideration must be given to other Categories still Competing.

## 9. PADDOCK AREA MOVEMENTS

- a. Transporting equipment at all Rounds i.e. tyres, jacks and tools to and from the Pit Lane during Category Sessions must be achieved by the Crew carrying them or the use of a Pit Trolley no other form of Transport is permitted.

## 10. RACE CIRCUIT WALK

- a. At all Rounds Teams will be permitted to undertake a Race Circuit walk, the time for this will be detailed in the Supplementary Regulations Part Two.

## 11. TIMING/RACE RADIO:

- a. Timing: Timing for all Rounds will be via the MyLaps Transponder system. Transponder hire is \$115 including GST for each Round. No alternative timing method is available. Please ensure your Transponder is working and fitted correctly. Loss or damage to a hired Transponder will be at the Hirer's expense.
- b. Time certain: At all Rounds events will be "time certain" events. Competitors will be advised if the listed times vary on the day.
- c. Race Radio: Will be used at all Rounds for all major announcements and is compulsory at all NextGen Rounds. The frequency for Race Radio for Bridgestone GR86 Championship, SP Tools TA2 NZ Championship and Summerset GT New Zealand is **489.6811250 Colour Code 10 Digital**, for all other Categories it is **455.168750 MHz Code 6B analogue (179.9)**.

## 12. GENERAL INFORMATION:

- a. Circuit Light Signals:  
At all Rounds the Circuit's Approved Signal Light Systems in conjunction with Flags and Boards shall be used for each Event.
- b. Fuel Supply, Handling and Storage:  
For Safety and Convenience at each Round NextGen Championship has introduced a **mandatory fuel supplier for ALL Competitors that use 98 Octane and Avgas**, Teams must purchase the fuel they require from the fuel compound at each Event. For competitors not purchasing 98 Octane or Avgas fuel from the Event a penalty under Schedule P NSC.4(c) may apply.  
For further details refer to the NextGen Fuel Supply – All You Need to Know document.
- c. Competitors at all Rounds are reminded to ensure that they are familiar with and abide by the MotorSport New Zealand Code of Practice – Fuel Handling and Storage. This can be found on the MotorSport New Zealand website – <https://motorsport.org.nz/technical/fuel/> in particular the requirement to have a maximum of 40ltrs stored in your Pit location during the day. NO fuel is to be stored in your Pit location overnight.
- d. Each Competitor must have a minimum of one(1) 4.5kg multi-purpose dry powder extinguisher in their Pit Marquee at all times and with reference to MotorSport New Zealand Fuel Handling Code of Practice.
- e. Promoters decals at all Rounds will be issued to the Series Coordinators to be placed on the Competition Vehicle. Required placement for each Category will be communicated via the Series/Championship Coordinators.

## 13. SCHEDULE OF EVENTS (Provisional)

- a. Attached are the intended schedules for each Event. These may be varied or altered at the Promoter's discretion to ensure that all Category Sessions and Races stay on Schedule. You will be notified of any change as soon as possible and the organisers will do everything possible to maintain your involvement as an import part of the programme.
- b. The Organiser, in consultation with the Stewards of each Event, reserve the right to postpone, abandon or cancel the Events or any part thereof for reasons of Force Majeure, any entry fee refund will be made only at the discretion of the Organisers.
